

## CPX FOILER WARRANTY

CPX Patented FOILERS have been Designed, Tested and Inspected to the most rigorous standards.

FOILERS are manufactured from the highest Quality automotive grade Polyurethane for strength and durability. Painted FOILERS are coated with Dupont Cromax polyurethane waterborne paint in a variety of Custom Matched Factory Finishes. Each FOILER kit includes detailed instructions, adhesion promoter and commercial grade 3M automotive adhesive tape.

CPX USA is not responsible for improper use or installation of CPX FOILERS

CPX USA offers a Limited Lifetime Structural Warranty that our FOILER products manufacture defects in material and / or workmanship. The Paint Finish will be warranted to the original purchaser for the period 3 Years / 36,000 Miles which ever comes first. This Warranty will be Void if product has been altered, abused, or incorrectly installed. This warranty also does not cover road or weather damage (ie. Rock chips, tar, ice, snow etc.) CPX FOILERS are painted to factory color code specifications and may vary.

If the product is determined to be defective by CPX or an authorized retailer, CPX will agree to repair or replace without charge (excluding freight or installation labor) to the original owner. The product must be returned to CPX either directly or through the original point of purchase retailer. All warranty product will have final determination upon inspection at our factory.
